EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Karen Canady on April 27, 2006.

The application has been amended as follows:

Claim 21 (currently amended): A method of inhibiting methylation of DNA comprising contacting a DCMTase with a synthetic inhibitor molecule so as to form an enzyme/synthetic inhibitor molecule complex that contacts the DNA,

wherein the synthetic inhibitor molecule comprises a C-5-methylcytosine which recognizes and binds an allosteric site on DCMTase,

wherein the synthetic inhibitor molecule comprising the C-5-methylcytosine comprises an oligonucleotide sequence selected from the groups consisting of SEQ ID NO 10, 13, 14, or 15, thereby inhibiting methyltransferase activity.

Claim 22 (currently amended): A method of inhibiting proliferation of cancer cells comprising administering to a subject a synthetic inhibitor molecule that comprises a C-5-methylcytosine which recognizes and binds an allosteric site on DCMTase thereby resulting in an enzyme/synthetic inhibitor molecule complex that contact DNA,

Art Unit: 1623

wherein the synthetic inhibitor molecule comprising the C-5-methylcytosine comprises an oligonucleotide sequence selected from the groups consisting of SEQ ID NO 10, 13, 14, or 15, whereby the presence of the complex inhibits DCMTase-mediated methylation of DNA, thereby inhibiting proliferation of the cancer cells.

The following is an examiner's statement of reasons for allowance: the prior art is not seen to teach or fairly suggest the use of the claimed 5-methylcytosine containing sequences, nor the use of the same to inhibit DCMTase or treat cancer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Traviss C. McIntosh whose telephone number is 571-272-0657. The examiner can normally be reached on M-F 9:30-6:00.
